

CURRICULUM VITAE

Date: 2026-06-06

Name: Brian Kibiwott Kirui

Date of birth: 1991-07-15

Office Address: School of Public Health and Community Medicine
University of Gothenburg
Guldhedsgatan 5c,
413 20 Gothenburg, Sweden

Email: brian.kirui@gu.se

ORCID: 0000-0002-6656-6029

Education:

2011-2016	Bachelor	Kenyatta University, Nairobi, Kenya (Bachelor of Pharmacy)
2019-2021	Master	University of Gothenburg, Gothenburg, Sweden (Master of Medical Science in Global Health)
2022-2026	Ph.D.	University of Gothenburg, Gothenburg, Sweden Doctor of Philosophy in Medical Science (Epidemiology)

Current Employment /Position:

2026 -	Postdoctoral Researcher Norrbotten Region: Obstructive Lung diseases in Northern Sweden (OLIN) Research Unit, Other affiliations: SCIFI-PEARL research group, BREATHE Sweden University of Gothenburg
2022 -	Teaching assistant in Register epidemiology SCIFI-PEARL research group, University of Gothenburg

Basic Degree (year) :

Bachelor of Pharmacy (2016)

License (year)

Licensed Pharmacist (Pharmacy and Poisons Board of Kenya) number 3393 (2018)

Registration for PhD (year, university, supervisors)

Registered 2022, University of Gothenburg

Principal supervisor: Prof. Fredrik Nyberg

Assistant supervisors: Assoc. Prof. Dr. Lowie Vanfleteren, Assoc. Prof. Huiqi Li,
Dr. Ailiana Santosa, PhD

Half time seminar (year, month)

2024, May

Teaching and mentorship

Mentee: Ágústa Eyjólfsdóttir, Undergraduate medical student, University of Iceland Year 2023

Role: Statistical support and R programming supervision.

Topic: Predictors of COVID-19 vaccination in immigrants.

Mentee: Omar Noor, Undergraduate medical student, University of Gothenburg Year 2023

Role: Statistical support and R programming supervision.

Topic: Bronchiectasis in COVID-19

Mentee: Freja Söderbergh, Undergraduate medical student, University of Gothenburg Years 2024-2025

Role: Support with analysis manuscript writing.

Topic: Bronchiectasis in COVID-19

Grants and scholarships:

Adlerbertska foundation scholarship, University of Gothenburg (SEK15,000) 2020

Scientific Awards

Sponsored Delegate, FORTE EpiDem Network Junior Conference: Selected to be among the 12 2023

Ph.D. student participants to attend an academic exchange with colleagues and senior researchers,
30-31 March 2023 & 8-9 May 2025 in Torekov, Sweden

Research and travel funding

Adlerbertska foundation travel grant 2022

Received funding to facilitate advanced training in Causal Inference in Harvard University, Massachusetts, USA 20-30 Jun 2023.

Role: Graduate Student

Direct Costs: SEK 20,000 (Approx. \$2,000)

Sahlgrenska Academy Travel Grant 2023 2023

Financed by Anna Cederbergs fond to facilitate travel to the 39th International Conference on Pharmacoepidemiology and Therapeutic Risk Management in Halifax Convention Centre, Halifax, Nova Scotia, Canada, August 23-27, 2023.

Role: Graduate Student

Direct Costs: SEK 10,000 (Approx. \$1,000)

The Swedish Heart Lung Foundation Travel Grant (Svenska Hjärt-Lungfonden reserbidrag) 2023

Received funding to support travel to conferences presenting analyses funded by the Swedish Heart Lung foundation in 2023.

Role: Doctoral student

Direct Costs: SEK 20,000 (Approx. \$2,000)

Adlerbertska foundation travel grant	2023
Received funding to facilitate advanced training in The European Health Data and Evidence Network (EHDEN) Observational Medical Outcomes Partnership (OMOP) Common Data Model (CDM) in <i>Rotterdam, May 2024</i> .	
Role: Graduate Student	
Direct Costs: SEK 20,000 (Approx. \$2,000)	
Sahlgrenska Academy Travel Grant 2024	2024
Financed by <i>Iwan & Eleonore Ljunggrens fond</i> to facilitate travel to the 40 th International Conference on Pharmacoepidemiology and Therapeutic Risk Management in <i>Berlin, Germany August 24-28, 2024</i> .	
Role: Graduate Student	
Direct Costs: SEK 8,000 (Approx. \$800)	
The Swedish Heart Lung Foundation Travel Grant (Svenska Hjärt-Lungfonden reserbidrag)	2024
Received funding to support travel to present results in the <i>European Respiratory Society Conference in Vienna, Austria 7-11 September 2024</i>	
Role: Graduate Student	
Direct costs: SEK 12,000 (Approx. \$1200)	

Research visits and talks:

Pharmacoepidemiology and drug utilization research.	15 Oct 2022
Presented at the 17th Hospital Pharmacists association of Kenya conference entitled ‘Expanding the scope of Pharmacists in modern healthcare: Policy, Practice’, Eldoret, Kenya. (<i>Virtual</i>)	
Optimizing Cox Regression: Comparing Traditional Covariate Adjustment and Modern Propensity Score Methods for Balancing Covariates.	05 Jun 2023
Presented at a Research meeting of the Sahlgrenska University Hospital department of Endocrinology, Gothenburg, Sweden.	
Visiting Analyst: Project: Smoking and COVID-19 in the HUNT Data	
BREATHE CAG, Clinical Academic Research Group, <i>Clinic of Thoracic Medicine, Trondheim University Hospital & Faculty of Medicine, Norwegian University of Science and Technology (NTNU)</i> . Supervisor: Sigrid Anna Aalberg Vikjord	24-30 Mar 2025

Selected conference presentations:

1. **Kirui B**, Santosa A, Franzén S, Vanfleteren L, Stridsman C, Nyberg F. Characteristics and outcomes of COVID-19 patients with preexisting COPD in Sweden: A population-based register study. *Oral presentation at the Nordic Pharmacoepidemiological Networks 13th annual meeting (NorPEN)*. Digital, 2021.
2. **Kirui B**, Santosa A, Vanfleteren L, Franzén S, Stridsman C, Nyberg F. Characteristics and risk factors for COVID-19 outcomes in a Swedish population-based cohort of COPD patients from the SCIFI-PEARL project. *Oral presentation at the Nordic Conference of Epidemiology and Register-Based Health Research (NordicEPI)*. 18. - 19. August 2022. Reykjavik, Iceland.
3. **Kirui B**, Labor M, Nyberg F, Vanfleteren L. Inhaled corticosteroids, and COVID-19 risk and outcomes – Findings from a population-based cohort within the SCIFI-PEARL project. *Oral presentation at the 38th International Conference on Pharmacoepidemiology & Therapeutic Risk Management (ICPE)*. August 2022. Copenhagen, Denmark.
4. **Kirui BK**, Li H, Nyberg F, Vanfleteren LEGW. The role of Smoking status as a risk factor in COVID-19 infection and severity in a Swedish population-based cohort. *Poster presentation at the Swedish Lung Congress 2023 (Svenska Lungkongressen 2023)*. 18–20 April 2023. Gothenburg, Sweden.
5. **Kirui BK**, Einarsdottir MJ, Li H, Olsson DS, Johannsson G, Nyberg F, Ragnarsson O. Impact of chronic oral glucocorticoid treatment on mortality in patients with COVID-19 - An analysis from a population-based cohort within the SCIFI-PEARL project. *Poster at the 39th International Conference on Pharmacoepidemiology & Therapeutic Risk Management (ICPE)*. 23–27 August 2023. Halifax, Nova Scotia, Canada.

6. **Kirui BK**, Li H, Andelid K, Nyberg F, Vanfleteren LEGW. Smoking status and COVID-19 related risk in four Swedish non-communicable disease registries, a non-intuitive association? *Oral presentation at the Swedish Register-Based Research Summit 2023*. 14 Nov 2023. Stockholm, Sweden.
7. **Kirui BK**, Wallström O, Vanfleteren EGW L, Santosa A, Li H, Bonander C, Stridsman C, Börjesson M, Nyberg F. Risk of acute cardiovascular events in COPD patients after experiencing COVID-19-related vs. non-COVID-19-related exacerbations - a population-based study. *Oral presentation at the 40th International Conference on Pharmacoepidemiology & Therapeutic Risk Management (ICPE)*. 24–28 August 2024. Berlin, Germany.
8. **Kirui BK**, Vanfleteren L, Li H, Santosa A, Stridsman C, Nyberg F. COVID-19 risk and effect modification by vaccination in asthma. *Oral presentation at the European Respiratory Society Congress 2024*. 7-11 September 2024. Vienna, Austria.

Editorial Activities:

Ad hoc reviewer

Therapeutic Advances in Respiratory Disease - From 2023-present

Journal of Experimental Pharmacology – From 2024-present

Other Editorial Roles

Abstract Reviewer for the International Society for Pharmacoepidemiology Annual Meeting at the 39th to 42nd Conferences (ICPE 2023, Halifax; ICPE 2024, Berlin; ICPE 2025, Washington DC & ISPE 2026, Milan).

PROFESSIONAL SOCIETIES

International Society for Pharmacoepidemiology (ICPE), Member	2021 - Present
Nordic Pharmacoepidemiologic Network (NorPEN), Member	2024 - Present
Swedish Epidemiological Society (SVEP), Member	2024 - Present

SELECTION OF RELEVANT GRADUATE COURSEWORK

Causal Inference and Epidemiologic Methods	Foundations of causal inference Advanced epidemiologic methods Target trial emulation Measurement error and misclassification for Epidemiologists Database analytics in pharmacoepidemiology Epidemiologic methods development
Statistics	Quantitative methods in population health sciences Applied regression for clinical research Applied survival analysis Applied longitudinal data analysis Statistical analysis of register-based data

TECHNICAL SKILLS

Statistical Software and Markup	Software:  R (advanced),  SAS,  Python Tensorflow/Keras,  Stata Databases: Apache Arrow, dbplyr, SQL (basics), Quarto, Markdown, LATEX Medical coding standards & common data models (ICD, ATC, OMOP)
Teaching	Statistical coding instruction in R, SAS, and Stata Selected topics in epidemiology (planned Nov 2025 and 2026)
